

STATINTL

MEMORANDUM FOR: General Carter

Attached is a revision of the proposed short version of Project [REDACTED] to be presented at the Headquarters Building during two days of the week. The proposed daily schedules run a little longer than suggested (to 1730 hours on the first day and to 1800 hours-plus on the second day).

If this schedule meets with your approval we will proceed with plans for presentation as desired.

L. K. White
